

getDate Calendar from(good one) JQuery Library

```
<script src="https://code.jquery.com/jquery-1.12.4.js"></script>
<script src="https://code.jquery.com/ui/1.12.1/jquery-ui.js"></script>
<link rel="stylesheet"
href="http://ajax.googleapis.com/ajax/libs/jqueryui/1.8.10/themes/base/jquery-ui.css">
```

```
<script>
$(function(){
    $( ".month_and_year_option" ).datepicker({
        changeMonth : true,
        changeYear : true,
        dateFormat : 'yy-mm-dd'
    });
});
</script>
```
